One of our 13 Enterprise teams has made it to the Regional Final of YES Dragon's Den.

Remedy Candles has earned a place in the final. This is a great achievement for the team, so it's time to celebrate that they have impressed the judges enough to make it to the final event (20 June).

The students are all very excited about the result. They are: Holly Trybula, Gretchen Elliot, Brittany Maddock, Savannah Mokomoko, Nicole Regnaud

Our Enterprise team displayed a wonderful presentation on Tuesday 20 June. The judges were very impressed and they decided to contribute $600 towards their team. Out of 8 teams only 4 teams received a reward of at least $600. Well done team!

Karama Bennett represented his club, Hutt City Taekwondo, at the Gold Coast Open on 6th & 7th May in Australia.

Previous NZ series games were played at the Christchurch Open held over the weekend of 25/26 March.

INTERNATIONAL HOMESTAYS REQUIRED

Heretaunga College is looking for homestays for International students who have an interest in horses and horse riding.

Could this be your family?

International students enrol at our school as part of our equestrian programme. Students live locally with an English speaking homestay family with an interest in horses, and are supervised by a Homestay Co-ordinator.
Students need access to a horse to ride either for pleasure or in competitions.
Riding lessons at different levels of expertise are organised by the school.

Equestrian Programme

The school is able to offer students with an interest in horse riding or equestrian activities, an exciting opportunity to continue their interest while studying in New Zealand.
The Equestrian Programme is an addition to our regular High School Programme

Lara from Germany is a past student in this programme. This is what she has to say:

Lara Di Martino

Hi, I live in Bremen, Germany and have come to study at Heretaunga College for six months. In Germany I have my own horses and ride most days during the week.
In New Zealand the school has introduced me to people who own horses that I am able to ride. I ride two to three times a week which includes dressage and show jumping. One session is with a teacher.
I will be participating in show jumping competitions when the season begins.
I have enjoyed my stay in New Zealand so much that I wish I could extend my stay.

We have a lot of interest from International students wishing to study at Heretaunga College and are keen to extend our available homestay families.

If selected you can receive $235 per week homestay payment.

If you wish to know more about this please do not hesitate to contact the Homestay Manager Ms Nadine Te Pohe at homestay@heretaunga.school.nz

ANZ OLYMPIC SCHOOLS PROGRAMME

Supporting Heretaunga College through the ANZ Olympic Schools Programme

ANZ has developed the ANZ Olympic Schools Programme with the New Zealand Olympic Committee to inspire and motivate New Zealand's youth, through the magic and celebration of the Olympic Games.
The ANZ Olympic Schools Programme helps schools to give the next generation the confidence to strive to the best they can be: enriching their lives through the Olympic Values of Joy of Effort, Fair Play, Respect for Others, Pursuit of Excellence and Balance of Body, Mind and Character.
The programme provides schools with great resources, certificates of achievement, and letters of encouragement from ANZ Olympic Ambassadors.

How you can help

In addition to the great resources schools can receive, ANZ has also tailored the programme so the school community can help earn credits to spend at the ANZ Awards Centre and also secure the chance to have an Olympic Ambassador visit the school.

For anyone planning to take out a home loan with ANZ, make sure they let their banker know they support Heretaunga College.

For every home loan drawn down over $50,000 the school can earn credits to spend on items from the ANZ Awards Centre, items such as sports equipment or computers. As an example an eligible home loan drawn down by someone linked to your school to the value of $50k or more will entitle the school to 800 credits – that's about $400 of spending power at the ANZ Awards centre.

Age Concern New Zealand have launched for Elder Abuse Awareness. Age Concern would love younger kiwis to get behind this campaign.

You could do a variety of things to show support and encourage more understanding about this hidden issue:

- wear purple day"
- Include information in your newsletter
- photo or essay competitions about connection to older family and friends (background paper attached)
- encourage staff, families and students to sign up as an Age Concern Dignity Champion.

Elder Abuse Hits Close to Home
Age Concern is raising awareness of elder abuse during Elder Abuse Awareness Week from 15-22 June 2017 which begins on World Elder Abuse Awareness Day on 15 June 2017.

Something many people find shocking is that elder abuse often happens within families. Many older people feel ashamed their own flesh and blood are treating them badly and this shame or stigma means people don't always report abuse. This is one of the reasons it stays hidden. **It's not ok** - Age Concern New Zealand needs help stopping elder abuse in our communities. We need your support to speak up and make sure we all play a part protecting our older Kiwis.

Unfortunately Age Concern elder abuse statistics show that:
75% of alleged abusers are family members
50% of the alleged abusers are adult children or grandchildren
50/50 - alleged abusers are as likely to be female as male

Please seek help if you suspect any abuse is happening - www.ageconcern.org.nz.

Growing up Online

An informative and entertaining session for parents and carers is delivered with Susan's famous 'no nonsense' approach and will cover the positive benefits of technology as well as what parents need to be aware of:

What are kids doing online? The popular social networking sites and apps such as KiK, Musical.ly and Instagram. What they are, what are the legal ages to use them and why these rules should be obeyed. The difference between an 'online friend' and a 'stranger'.

Online Grooming – What is it and when/how does it occur? What are the warning signs and what to do if you suspect this is happening to your child.

Cyberbullying – What it is, where it happens, what it looks like, how to prevent and what to do if it occurs. Also the legal consequences and the possible criminal charges.

'Sexting' – the taking and sending of explicit images...what are the REAL consequences? (primary school kids too).

Potential dangers and safety tips – how to assist the children in your care to stay safe online via parental controls and restriction passcodes.

Office of the Children's eSafety Commissioner – Role, Resources and Reporting.

Be confident in setting rules and boundaries around internet use in the home. It's OK to say NO!

The session will conclude with time for questions.

Susan Mclean is Australia's foremost expert in the area of Cybersafety and young people. She is a mother of three and was the first Victorian Police Officer appointed to a position involving Cybersafety and young people. She took her first report of cyberbullying in 1994 and since then she has conducted extensive research and has completed advanced training in this area in both the USA and UK and is a sought after presenter and advisor to Schools, elite sporting bodies such as the AFL, GP's, and both State and Federal Governments.

Susan is a member of the National Centre Against Bullying (NCAB)Cybersafety Committee and is afforded 'expert' status on the Safer Internet Programme Data Base. She is also a member of the Australian Government's Cybersafety working group and a published author.

Her book 'Sext's Texts & Selfies', is the definitive parents' guide to helping their children stay safe online.

What Susan doesn't know about cybersafety is not worth knowing! She is absolutely brilliant and her presentations are dynamic and entertaining. She has the unique ability to connect with each audience from young people to adults.
