Information for Parents:

Some students who live more than 4.8km from the school may be entitled to a Transport Assistance Grant. These students can get an application form from the Ministry of Education website – www.minedu.govt.nz

All other students will have to use public transport services. Concession fares are available. Enquiries to bus driver or City Rail.

In the first week of school, eligible students will be allocated to free buses. Later, passes will be issued. Buses leave from the designated areas outside the school at the time indicated above.

In the afternoon students need to line-up in the area designated by staff. Inappropriate behaviour on the buses or while waiting for a bus will result in students being asked to find another way to and from school.
