OUR SCHOOL

Heretaunga College is a modern co-educational secondary school in north Wellington. We have 730 students.

It has a wide range of high school subjects for boys and girls to choose from.

Students may enrol from 13 years to 19 years of age.

Students achieve academic results better than the NZ average grades.

International students are encouraged to participate in wider activities, like sports, music, drama or school clubs.

Each student experiences one school trip to either Rotorua or the South Island, each year.

The International Staff will respond to any query on the same day it is received.

PASTORAL CARE

The Director of International Students welcomes students and assists them to choose their learning programme.

Support is immediate for any personal matters.

Students live locally with homestay families, and are supervised by a Homestay Co-ordinator.

Our school campus has been upgraded through a multi-million dollar project that has allowed us to create a wonderful facility for staff and students.

These include modern learning spaces, cafe and student concourse and lovely landscaped grounds.

Heretaunga College has agreed to observe and be bound by the Code of Practice for the Pastoral Care of International Students published by the Ministry of Education. Copies are available from the school or www.minedu.govt.nz/goto/international

Elite Sport Programme

This Programme is an addition to the High School Programme.

The aim of the Programme is to give our students more opportunities to succeed in sport.

In this Programme they take part in regular strength and conditioning training, specialist sport training if they play Hockey/Basketball/Rugby/Netball/Football. We can offer places in other sports if the numbers are great enough.

Leadership training, looking at coaching and leadership in sport as well as being exposed to a variety of different training methods such as boxing, speed and agility, swimming, circuits, resistance training, plyometrics, aerobic endurance and team sports is included.

Regular physical testing is an important part of the course which allows us to monitor the student's development as the year goes on.

Heretaunga College is situated in Upper Hutt, North Wellington. The school is ideally located within an urban environment, an easy distance to New Zealand's capital city and close to our famous outdoors. People love living in Wellington; with its strong emphasis on the arts, its natural beauty, modern shopping centres, cafes, restaurants and wide range of activities.

Within a few minutes from the centre of Upper Hutt are bush walks, river trails and camping spots and remember, in New Zealand, you are never far from a beach and the sea.

Hockey

We currently have 3 boy's teams and 3 girl's teams at the college. These teams play at various levels in the Wellington Hockey Secondary Programme

Heretaunga College Boys' Hockey Programme is headed up by the Head of Physical Education, Hayden Shaw.

Hayden is a former NZ age group and National League player. As a coach, he has worked at various levels from High school players to international players. Hayden has been coaching at Heretaunga College for the last 6 years, as well as coaching Wellington youth sides. He is currently the Assistant Coach of the Capital National Hockey League Men's Team, a team that comprises current and former NZ players.

Hayden runs training in the off-season for the top players in the school to aid in their development so they can push for higher honours in the coming years.
