PASTORAL CARE

The Director of International Students welcomes students and assists them to choose their learning programme.

Support is immediate for any personal matters.

Students live locally with homestay families, and are supervised by a Homestay Co-ordinator.

Our school campus has been upgraded through a multi-million dollar project that has allowed us to create a wonderful facility for staff and students.

These include modern learning spaces, cafe and student concourse and lovely landscaped grounds.

Heretaunga College has agreed to observe and be bound by the Code of Practice for the Pastoral Care of International Students published by the Ministry of Education. Copies are available from the school or www.minedu.govt.nz/goto/international

Equestrian Programme

The school is able to offer students with an interest in horse riding or equestrian activities, an exciting opportunity to continue their interest while studying in New Zealand.

The Equestrian Programme is an addition to our regular High School Programme.

We will listen to your needs and then endeavour to find some local resources that meet your requirements. We find that students have very different expectations and so we have a range of possible activities available including riding lessons at different levels of expertise.

The facilities and homestays are located close to the school.

Lara Di Martino

Hi, I live in Bremen, Germany and have come to study at Heretaunga College for six months. In Germany I have my own horses and ride most days during the week.

In New Zealand the school has introduced me to people who own horses that I am able to ride. I ride two to three times a week which includes dressage and show jumping. One session is with a teacher.

I will be participating in show jumping competitions when the season begins.

I have enjoyed my stay in New Zealand so much that I wish I could extend my stay.

Heretaunga College is situated in Upper Hutt, North Wellington. The school is ideally located within an urban environment, an easy distance to New Zealand's capital city and close to our famous outdoors. People love living in Wellington; with its strong emphasis on the arts, its natural beauty, modern shopping centres, cafes, restaurants and wide range of activities.

Within a few minutes from the centre of Upper Hutt are bush walks, river trails and camping spots and remember, in New Zealand, you are never far from a beach and the sea.
