BOARD OF TRUSTEES

Meet on the first Tuesday of each month at 6.30pm in the Meeting Room.

Kia ora whānau

So, unfortunately, we have had to refamiliarise ourselves with Alert Level Two and have now completed one week at this level. If we all continue to do our bit then we will soon be back at a more comfortable level.

We have just the usual reminders:

- All visitors must have an appointment - no drop ins please
- Log your visit with the NZ COVID 19 Tracer app or sign in at the front door
- Sanitise your hands on entry
- Keep a 2-metre physical distance in the front foyer area and please do not mix with students other than you own children on the school property
- Maintain good cough and sneeze etiquette
- No spectators at school sports events

Hopefully, on Friday we will find out when we move to Alert Level One. While we wait for that school is still a safe place to be for our students. If you are concerned about your child's health at Alert Level Two then please make sure you seek advice from your medical practitioner. This ensures you are able to make an informed decision regarding your child's attendance at school. We are happy to discuss a plan with you so that we can support your child while at school.

Term Three is where we all look towards 2021. Students are working towards finalising assessments, preparing for exams and planning for their future pathway in 2021. This term we have Pathways planning for Years 9 - 12, after school planning for Year 13 along with practice and end of year examination preparation. Somewhere in all of that, we have to fit in Winter Tournament Week. This is a lot for our students at the best of times but this year is quite different. At school, we have many skills, contacts and programmes in place to support students. If you have any concerns please contact your Kaiarahi or Year Level Dean initially. The Senior Leadership Team is also happy to work with you - getting on top of things early is the key.

Thank you to those of you that attended our Junior Curriculum Information Evening. We had a really good turn out and some great questions. We are continuing to work on this exciting new curriculum and are happy to receive any further questions that you may have. Please forward these questions to our Deputy Principal, Jacqui Lucas via email – lucasj@heretaunga.school.nz

The School Hoodies are on their way. We are waiting for some sample sizes so that students can try for size, order and pay before we get our initial first order. We will let you know when we have the sizes so that we can begin the process of getting them out for the students to wear.

Make sure you keep yourself safe.

VOLUNTEERING IS...

If you're doing something to help other people and you're not doing it to make money then that's volunteering. Whether you're putting out cones at sports events, organising the school ball, caring for a sick whanau member, washing dogs at the SPCA, planting trees or picking up plastic rubbish at the beach you're making contribution to your community and that counts.

Got any questions? See Mrs Pike

DUKE OF EDINBURGH

Our Bronze Duke of Edinburgh Award Group have been very appreciative of good weather days on their Thursday sessions with Alex and Jessie from Ignite Sport.

They have been making the most of the conditions to get out and build up fitness and prepare for their November overnight tramp for the Adventurous Journey component of their award.

Tracks that have been conquered by them recently include the Te Whiti Riser, the Cannon Point Walkway and the Red Rocks walk on the Wellington south coast.

With three months to go until the overnight trip, they are well on their way to tackling the wills of a proper bush track and the adventures it will provide.

Bring it on!

NATIONAL SCOUT SCARF DAY

National Scout's Scarf Day was celebrated on 6 August. Students and teachers at HC proudly wore their Scout scarves.
