CONGRATULATIONS

In May **Emma McNaughten** received a Creative Excellence Award from Yoobee School of Design. These awards are given in recognition for the top performing students from their holiday programmes. Emma attended the Digital Painting Course. Well done Emma! We are proud of you.

Congratulations to **Holly Williams**. Out of over 150 applicants from across the country, Holly is one of 40 students that has been accepted into the Innovative Young Minds (IYM) programme.

The Innovative Young Minds (IYM) programme is a week-long residential programme for female Year 11 and Year 12 students that runs during the July school holidays. The programme is designed to encourage young women to explore science, technology, engineering, mathematics and high-tech manufacturing – fields known as the STEMM sector.

The selection process was very competitive. Being selected means that Holly will be able to explore some of the diverse study and career opportunities in science and technology, and talk with amazing women leaders and innovators about their own experiences in science and tech.

The Upper Hutt City Council offered students the opportunity to go on an exchange to Mesa, Arizona. Mesa is Upper Hutt's Sister City, and this is an annual exchange.

This year the Council have selected **Ruby France** and **Jordan Knapp**. Two students from Mesa are coming to stay with Ruby and Jordan for three weeks, and then they will go to Arizona to stay with them for three weeks.

Congratulations on being selected for this exchange.

YEAR 9 CROSS CURRICULAR MAYHEM

Term 1 was jam-packed with cross curricular learning for our Year 9 students. The English, Mathematics and Physical Education departments worked together to teach survival strategies under the broad theme of 'Standing Strong'. This culminated in a full day extravaganza where the students were able to show and apply the skills they had learned during the term. Students needed to react to two scenarios, a zombie apocalypse and a plane crash. Some of the tasks included creating a stretcher, cooking on a gas cooker, escaping zombies and a blind obstacle course. This was a great way for our Year 9 students, staff, senior leaders and peer supporters to work together towards a common goal.

RELAY FOR LIFE

Just a quick wrap-up to say a HUGE thank you to everyone (there are too many of you to single out individuals sorry!) who contributed to this event in any way whatsoever – it truly was a team effort and I know that the 180 students who took part really appreciate the support that you gave them. I was super pleased with their behaviour and attitude and their kindness to each other in trying conditions, and the way they represented themselves and our school - it makes me so proud to be a part of that group.

To date, we have raised \$19,718.44, a couple of hundred shy of our target of \$20,000 – we are still receiving donations so might get a bit closer. HC is the sixth highest fundraiser, and again I'm really proud of our whole school community for digging deep. Here's a link to our page, and to the top donors page:

If you have any feedback to help the event run smoothly should the school choose to do it again in 2020, please pass it on.

This version displays and better supports multiple levels of NCEA and new users can simply add credits from previous years without having to also add standards information first. This means that students can track their progress towards various NCEA levels over multiple calendar years more quickly and easily. The App allows students to plan, select and set their NCEA credit goals and targets and to see how they are tracking towards NCEA Levels One, Two and Three, including Literacy, Numeracy and University Entrance.

Black Bean Brownie:

I have fooled even the toughest of critics with this recipe - DELICIOUS!!! And very chocolatey.

Ingredients:

- 1 400g Can of Black Beans
- 2 Tbsp. Cacao Powder
- ½ Cup Oats
- 1/3 Cup Maple Syrup – Make sure it's pure!
- ¼ Cup Melted Coconut Oil
- 2 tsps. Vanilla Extract/Essence
- 2 Tbsp. Chia Seeds
- ½ tsp. Baking Powder
- ¾ Cup Dark Chocolate Chips (this is very rich, tone it down if you're not that into a deliciously gooey chocolatey brownie).

Method:

Heat oven to bake at 180°C.

Put all ingredients into a food processor except for the chocolate chips and blend until you get a smoother texture (you don't want NO lumps though). Fold through the chocolate chips and then spread onto a non-stick baking tray.

Bake for 20 minutes and then leave to cool before removing slice from the tray.

It can be easier to put the tray in the fridge once cool enough to do so, before slicing.

Store in an air tight container in the fridge.

Nourish Me Style Shepherd's Pie

This one pot wonder is a great take on the traditional Shepherd's pie but is jam packed with WAAAY more vegetables, and less dairy.

For this mince part:

- 1kg premium beef mince
- 1 cup beef stock
- 2 diced onions
- 2 large carrots - grated
- 2 cups diced mushrooms
- 2 diced capsicums
- 125g spinach
- 3 Tbsp. Worcestershire sauce
- 3 Tbsp. Tomato paste
- 1 Tbsp. Crushed Garlic
- 1 tsp. Mixed Herbs (dried)

Fry the onions in a wok with the Worcestershire sauce. Add all other vegetables and stock. Let simmer until vegetables are half cooked. Add mince and remaining ingredients and let simmer until cooked through and minimal liquid remains.

For the mash:

- 6 medium peeled potatoes - diced
- 1/2 a small pumpkin - diced (about 3 cups)

Boil the potatoes and pumpkin until soft enough to mash. Drain water and mash - no need to add milk!

Putting it together:

Heat up your oven to 180C, on bake.

Spread the mince dish evenly in a baking dish, top with the mash.

Bake for 20-30 minutes or until slightly browned.

Makes 6 Serves.

SOUP KITCHEN PROVIDING KAI AND COMMUNITY TO WELLINGTONIANS

Annual Street Appeal raising funds to continue providing food, meaningful activities and community to people in need.

On the 14th June, 2019, over 200 volunteers will collect at 20 sites around the Wellington region, fundraising for the Compassion Soup Kitchen's Annual Street Day Appeal.

The Street Appeal plays a vital role in raising both funds and awareness to assist the community in the challenges they are facing, such as housing deprivation, addiction, poor mental health, food insecurity, and social isolation.

"Without a sense of purpose and belonging, it is hard to call somewhere home" – says a Soup Kitchen guest. The Compassion Soup Kitchen provides a safe place where people are known, welcome and wanted.

The Soup Kitchen offers kai (around 30 breakfasts and 60-80 dinners six days a week, from Monday to Saturday), social service support, access to technology, meaningful activities, and a sense of community to our capitals most marginalised and vulnerable. Two social workers walk with guests by supporting them to have their mental and physical health needs met: in arranging accommodation, access to financial entitlement, and finding employment opportunities.

Meaningful activities are arranged for guests, such as fishing, sewing, developing computer skills, and our newest venture our garden, Tupaia. Tupaia provides us with fresh produce for the Soup Kitchen, as well as an ongoing connection, community and a place for people to stand – somewhere they belong and are treated with respect. These meaningful activities are important as they give a sense of community and purpose.

The Compassion Soup Kitchen has been looking after the marginalised in Wellington since 1901. Everyone is welcome in the community and no one is turned away, regardless of their circumstance.

Please support us at our next appeal to ensure this important service and continue its mahi supporting vulnerable Wellingtonians. An hour or 2 of your time to collect for us at one of our sites around the city is greatly appreciated.

For more information please contact Paula Jones 04 282 1951, Volunteer Coordinator of the Compassion Soup Kitchen.

Ways to get involved...

Soup Kitchen Street Appeal

14th June 2019

Our vision at the Compassion Soup Kitchen is to "to support people in need to live with dignity in the community". To do this, we need the funds from our appeal to keep our doors open. In 2018 the soup kitchen served 26,803 healthy meals to vulnerable Wellingtonians, as well as providing a community. A garden, fishing trips, sewing, writing group are some of the ways we look to connect people.
