YOUNG ENTERPRISE SCHEME

Another great achievement for our Year 13 Enterprise students. It has just been confirmed that one of our teams, Ecoflames won a major regional award under the criteria "Enterprising Innovation". There were 10 nominees under this criteria.

The Ecoflames team are: Jordan Cocker, Sean Laubscher, Jay Winfield and Skyla Young.

Heretaunga College scoring an award consecutively for two years in a row is a big achievement!

Also, two other companies from our school, BeeHappy and Health Tea, were nominated under the Business Resilience and Marketing award. Just being nominated for the Regional awards is a big success for these two companies.

MONTHLY WELLBEING UPDATE

SHIFT are back delivering again for the girls, bringing in archery and boxing at morning break for Wellness Wednesdays already this term.

Our Year 12 Leadership Day was a great chance to embed what wellness means and how we can empower our students to take care of themselves, especially with the increased pressure of upcoming exams, whilst also striving for leadership roles in the school next year.

We have been lucky to have great support from our community this year. We would especially like to thank the Upper Hutt Community Youth Trust and Youthtown for supporting our boys' wellbeing programme and more recently with their involvement in our Year 12 Leadership Day.

We look forward to growing even more opportunities for our students and continuing to collaborate within the community.

LIBRARY/WHAREPUKAPUKA

We're encouraging all students who are returning to Heretaunga in 2019 to sign up for our Summer Reading Programme. There's a lot of academic research that shows students can backslide with their reading if they take a long break from it. Even if they don't issue books from us then they should have a plan to incorporate some reading into the school holidays. If they are starting Year 11 or 12 next year they should check with their English teacher to see if their 2019 course has reading responses. If so reading one or two of their extended texts over summer will help them start strong. Please email library@heretaunga.school.nz for more information or to sign your child up. We've also included the brochure in this newsletter.

Manning Cup for "Together Everyone Achieves More" Boys 1st XI Football Team

This team showed amazing spirit across all team members. They worked together to achieve the goals set at the beginning of the year and their team spirit at every game developed throughout the season. The Coach developed a culture that meant each and every player played for the team each week and no one player was held above the other. This spirit enabled the team successfully moved up 4 Divisions in the College Sport Competition from Division 6 to Division 2, clearly demonstrating that "Together Everyone Achieves More".

Foster Hope is a registered charity providing support for children in care, and we are running our annual Christmas Gift Drive.

The Wellington/Lower North Island branch would love to have your school's support!

Help a child in foster care have a happy Christmas this year

by being part of Foster Hope's annual new Christmas Gift Drive

Many children enter into emergency service facilities during the Christmas period and we would love your support.

Our aim is to bring a little bit of sunshine and hope to our most vulnerable children.

Foster Hope is collecting new, unwrapped gifts for children aged 1-18 years.

We would appreciate all donations by 10 December.

Please check out our website for further information regarding our Christmas Gift Drive, and drop off locations: www.fosterhope.org.nz

Thank you for your support!

HOW IT WORKS

1 A school **signs up** to be a part of and a recipient of the Bins for Better Schools initiative.

2 Potential and existing customers are **introduced to the initiative** via promotion by the school. Waste Management provides the school all the necessary tools.

3 When a customer decides to sign a 12-month Waste Management residential subscription, they nominate a specific school to be the recipient of a **\$2 per month** (for 12 months) or **\$10 one-off payment**.

4 A school receives the payment **directly** into their bank account from Waste Management to use how they see fit.

NCEA STUDENT APP UPDATE

The NCEA Student App can now be downloaded from either the Apple App Store or Google Play Store. It is available to use in English and Te Reo Maori, is free to download and can be used from any smart device. This version displays and better supports multiple levels of NCEA and new users can simply add credits

from previous years without having to also add standards information first. This means that students can track their progress towards various NCEA levels over multiple calendar years more quickly and easily. The App allows students to plan, select and set their NCEA credit goals and targets and to see how they are tracking towards NCEA Levels One, Two and Three, including Literacy, Numeracy and University Entrance.

More information can be found on the NZQA website: www.nzqa.govt.nz/audience-pages/students/ncea-app/
