INTRODUCTION

Heretaunga College strives to provide a wide variety of enjoyable physical opportunities for our students to participate in. The College actively works in partnership with the local community and relies on assistance from families to provide a programme that meets the needs of the students.

It is encouraged that all Junior Students play at least ONE sport. It may be a Winter or Summer sport and either participation based or competitive. We have extended our programme for 2021 to cater for all abilities and budgets.

Selection or involvement in extra-curricular activities at any level, requires all students to maintain a satisfactory work ethic and standard of behaviour in the classroom. Failure to do so will result in extra-curricular opportunities being restricted.

Students wishing to play sport for the College must register and pay the appropriate fees. Fundraising is required for tournaments to help reduce the costs to players. Sport at Heretaunga, like other Colleges, relies on parents, staff and students to coach and manage teams. Volunteering in sport is a rewarding experience that brings the school and community together.

Sports Co-ordinator

FEES AND PAYMENTS

Sports registration fees are required to pay for the costs involved in sport. In general the fees are used to pay College Sport Wellington registration fee, uniform replacement and essential equipment. All costs are kept to a minimum. The College is aware that some families have financial difficulties from time to time and we do not wish to disadvantage any student wishing to play sport. If there are any students with financial difficulties please contact the Sports Co-ordinator in confidence.

Pay before you play

The school has a strict no pay no play policy. Registration fees for a sport or activity must be paid before a student can be involved.

Refunds

All refund requests will only be considered by a written application to the Sports Co-ordinator on a case by case basis.

Any refunds granted will be less **\$10 administration fee** and any other costs that may be incurred due to the withdrawal. All refunds will be credited to the students school account. This may be used in the first instance to offset any other outstanding co-curricular or curriculum fees or costs. If there are no outstanding fees or costs, any refunds will be returned by cheque or deposited to a nominated bank account. A full refund will be made if the Sports Co-ordinator cannot place a student into a team or a sport.

Refunds will not be made:

1. If a student withdraws without notification to the Sports Co-ordinator after they have been placed in a team.
2. If a student leaves school, is excluded / expelled or stood down during the season.
3. If a student is banned from a sport due to conduct or misbehaviour.
4. If a student withdraws due to over-commitment once the season has started.
5. If a student gains employment during the season and is no longer able to play.
6. If a student changes their mind and does not want to play anymore.

STUDENT UNIFORM CONTRACT

Students are asked to sign a uniform contract and parents / caregivers are asked to support students in looking after items loaned to them.

1. I will look after the uniform that has been loaned to me and record the item number/code.
2. I will NOT swap my uniform with anyone else.
3. If I need to swap my uniform I will return it to the Sports Co-ordinator.

SPORTS AVAILABLE AT HERETAUNGA COLLEGE

At Heretaunga College we try to cater for all abilities. However, some sports codes we offer at a premier level where we play in Division 1 or 2 and also have development teams as a pathway. We have other developing sports where we compete in lower divisions and have a more social focus. Finally, we offer participation sports in association with Youthtown and other Sporting Bodies where there is no requirement to participate in a weekly competition. It is a great opportunity to play sport with friends without the hassle of transport or uniform. These activities are at school or within walking distance, so no transport is required.
