HERETAUNGA COLLEGE'S COLLABORATIVE APPROACH TO STUDENT WELLBEING

This year Heretaunga College have been incredibly fortunate to welcome Kickstart onsite.

Heretaunga College has enjoyed many years of collaborative work and support alongside the Kickstart team. Paul Thompson - well known for his significant contribution over many years to supporting the wider Upper Hutt community, leads a team of 10 youth workers who strive to enhance the wellbeing of our community's youth.

Kickstart are working out of the school Pavilion to provide much-needed support to Upper Hutt's young people from many schools in the Hutt Valley.

Heretaunga College is particularly fortunate to have Kickstart working alongside our wellbeing and guidance team to provide several group programmes and 1:1 mentoring. These programmes are an integral part of our overall strategic plan to support the hauora and wellbeing of our students. These group programmes have been pivotal for many individuals and groups of students over the years - and are in high demand!

As part of our Arahitanga (guidance) approach at Heretaunga College this term we also welcome Dan Jackson (Guidance Counsellor) and Lucas Stewart (Placement Counsellor) to join our current guidance counsellor Elodie Dol as part of the guidance team. They make a significant contribution to the wellbeing of our young people.

At Heretaunga College we strive to do all we can to support our young people on their respective journeys in a world that throws many social, emotional, health and academic challenges at them. Always with a student wellbeing focus, we strive to provide opportunities, support and guidance for our students as they progress through their years at our school.

We value the contributions of all those involved in the pastoral support of Upper Hutt Youth and would like to welcome Kickstart into our school whanau.

LIBRARY

In June, we held the House Reading Challenge. There were 450 books read over the month, and it was great to see the enthusiasm that was sparked. It was a very close run race, with Remutaka winning by a small margin. Congratulations and 20 House Points to you. The junior student who read the most books was Atamarie, the senior student was Renae and the staff member was Mr. Munro. Well done everyone.

VOLUNTEERING IS...

If you're doing something to help other people and you're not doing it to make money then that's volunteering. Whether you're putting out cones at sports events, organising the school ball, caring for a sick whanau member, washing dogs at the SPCA, planting trees or picking up plastic rubbish at the beach you're making contribution to your community and that counts.
