## WEARING OF MASKS ON BUSES AND TRAINS

We have received a report from our local Transdev (Wellington Train Network) Security Manager that many of his staff have observed Heretaunga College students choosing not to comply with the COVID-19 response of wearing masks on all public transport. It is standard that all passengers, including students, wear face-coverings while on public transport and while waiting at stops and platforms. It is also now required for students using Ministry of Education provided transport to wear masks as well. If your child takes any form of public transport or a Ministry of Education provided bus to get to or from school, can you please remind them to bring and wear a mask. It is the responsibility of the student to provide their mask; however, if they have forgotten, the school office can give disposable masks.

Whether you're putting out cones at sports events, organising the school ball, caring for a sick whanau member, washing dogs at the SPCA, planting trees or picking up plastic rubbish at the beach you're making contribution to your community and that counts.
