Kia ora

It has been another challenging year with the end looking very different. As we farewell most of our Year 13s you will be aware of the significant impact that the COVID 19 Alert Level 2 requirements have had on our end of year celebrations and events. There are no end of year assemblies, no face to face prize giving and no ball. We are trying to allow some form of these events to happen but they are reduced in size or online.

On top of the busy time for staff it has also been busy with the extra task of ensuring Heretaunga College meets the COVID-19 Public Health Response (Vaccinations) Order 2021. I am so proud of our staff response to this mandate. We are as close to 100% first vaccination as you can get without being 100%. This is a massive achievement. One staff member told me 'Ultimately it is not about me, it is about keeping our kids safe and being there for them'. I know that this is a sentiment held by all of our Heretaunga College staff. I am lucky to be part of this community.

As we navigate this COVID-19 environment please be aware that we have some expectations in place at school and please follow the requests of our administration staff. Once we move to the traffic light system, things could look quite different and could change quite quickly as we adjust to the new system. We will see how this looks in 2022.

Let us finish the year well and then go for a well-earned rest so that we are ready for next year and what COVID could bring!

YEAR 13 REFLECTION ...

It is with much excitement and sadness that I write this final farewell to our lovely year 13 cohort. I have had so much fun being their Dean, have learnt a lot from them and have really enjoyed getting to know them! I have also learnt a lot about myself as well. It turns out I am okay(ish) at Deaning, and might give it a go again in the future. I thank the year 13 kaiarahi, and Mr Lambert, the SLT member in charge of Year 13 who have all contributed immensely to this cohort.

Well 2021 has certainly been unique! Despite everything we would have hoped for, we have still achieved. Many in the cohort have already gained University Entrance, and NCEA Level 3 and there are quite a few Excellence endorsements floating around. Students have gained scholarships, apprenticeships, and employment – so many achievements!

There have also been A LOT of sporting achievements as well. The boys football team playing at the highest level an HC team has ever been in, and winning their grade. The girls' football also won the Hutt Valley division, and premier netball has been performing at a top level as well. Everyone who has participated or supported sports in some way this year have been superstars!

I am super excited about all the fun times these young people will have ahead of them, going to university, continuing study, starting jobs, and enjoying life! There are a lot of good times ahead. This group of 13s will adult well, and are ready for the wide world! I wish them luck, and appreciate all of you who have supported me and who were with me for the ride!

Mrs McKee, Year 13 Dean

NCEA EXAMS

NCEA exams began on Monday 22 November. Please ensure that your child checks their exam timetable and is prepared for their exams. The exam timetable can be found at <https://www.nzqa.govt.nz/assets/qualifications-and-standards/qualifications/ncea/exams-and-portfolios/examination-timetable.pdf>

Your child will have received an admission slip. This slip provides entry for your child to their exams. Students must therefore bring their slip to ALL exams. If your child loses/forgets their admission slip, they must see Ms Lucas or Mrs Bitchener for another signed copy. They must do this well ahead of their scheduled exam time.

All senior students must be in **correct uniform** to be allowed entry to their exams. NO uniform permits will be provided to students, so it is very important that they source uniform items before their exams. Students only have to turn up for the exam that they are sitting. The rest of their study break they should be at home, studying. If your child has a medical/bereavement reason for not attending their exam, they need to contact Ms Lucas as soon as possible so that a derived grade application can be made to NZQA. Evidence must be supplied for the applications to be successful.

We wish all our students the best of success for their exams. A study plan between now and their final exams is recommended for them to gain the best of results.

Ngā mihi ki a koe | Kind Regards

END OF 2021 FOR YEAR 9 AND 10 STUDENTS

We wish to inform our caregivers and community that due to Ministry of Education recommended restrictions on gatherings of large groups at school we have made the decision to shift our junior prize giving ceremony from an in-person format to a video platform. This was well received as an alternative approach by our student and parent community for our recent senior prize giving. The junior prize giving video will be shared with all members of our school community on Friday 10 December via email and social media platforms.

WEARING OF MASKS ON BUSES AND TRAINS

We have received a report from our local Transdev (Wellington Train Network) Security Manager that many of his staff have observed Heretaunga College students choosing not to comply with the COVID-19 response of wearing masks on all public transport. It is standard that all passengers, including students, wear face-coverings while on public transport and while waiting at stops and platforms. It is also now required for students using Ministry of Education provided transport to wear masks as well. If your child takes any form of public transport or a Ministry of Education provided bus to get to or from school, can you please remind them to bring and wear a mask. It is the responsibility of the student to provide their mask; however, if they have forgotten, the school office can give disposable masks.

Ellen Tarr was named Dux and was additionally awarded The Penelope Biggar Cup for Overall Contribution to Music and a \$6000 entry scholarship to Otago University. As part of being named Dux, Ellen is awarded the B H Hart Cup, which was donated by Mr Bruce Hart (former Principal at Heretaunga College) and the Dux medal.

Ellen is not only an outstanding academic achiever but an exceptional flautist, avid reader and, in general, a well-respected student. Many people have mentioned that they have known since year nine that she would eventually be awarded Dux, and many of her friends had the same idea, despite her modesty. Before the presentation of the award, Ellen was avid that she was not even in the running.

Ellen has excelled in all of her subjects throughout the year, receiving excellence in nearly every standard she attempted. She has created, marketed and sold products as part of Enterprise, performed solo and with others in Music and used her passion for literature to delve into History and explore English.

In 2022 Ellen will be looking to gather some life and work experience. She intends to attend post-secondary education sometime soon but wants to experience life outside of school first.

The J Lucas Plate for Proxime Accessit (runner up to the Dux) for 2021 is awarded to **Liv Cook**, who achieved Distinction awards in Chemistry, English, History, Maths with Statistics, Police Pathways and Core Science. She also gained outstanding effort in Biology. Liv gained more than 100 Level 3 credits, and is a recipient of the Rankin Duff Science Award for 2021.

VOLUNTEERING IS...

If you're doing something to help other people and you're not doing it to make money then that's volunteering. Whether you're putting out cones at sports events, organising the school ball, caring for a sick whānau member, washing dogs at the SPCA, planting trees or picking up plastic rubbish at the beach you're making contribution to your community and that counts.
