

Newsletter – November 2022

Tēnā rā koutou katoa e te whānau,

Well done to everyone who has got to the end of the year! This has been the hardest year in the global pandemic, and we are again seeing rising numbers of COVID 19 in our community. I would like to acknowledge the huge struggle that our students, staff and community have all had to work through this year. While we are learning to live with the virus there will still be hangovers from the last three years that make their way into 2023.

I would like to wish our Year 11, 12 and 13 students well as they finish their NCEA exams and assessments. To our Year 13 cohort and others who are moving on to the next step of their learning journey - thank you for the effort you have made as senior students at Heretaunga College. We wish you well on your life journey and keep us informed of all your successes.

To the staff who are leaving us or retiring we wish you well on the next stage of your journey too. For all of you, remember to Heretaunga College you will always be whānau.

To those who will be returning, look after yourselves over the summer break, rest and connect with those you love and care about and make sure you return to your journey at Heretaunga College ready to go in 2023.

Fiona Craven
Principal

Christina Grindlay

HERETAUNGA COLLEGE DUX AND PROXIME ACCESSIT

Dux 2022 was awarded to Christina Grindlay for her academic excellence in biology, chemistry, English, philosophy, and physical education, as well as her outstanding effort in German and calculus.

Christina is dedicated and diligent. She is a powerful critical and creative thinker. She is heading to Victoria University of Wellington for a Bachelor of Science with a double major in psychology, and cell and molecular bioscience.

Proxime Accessit 2022 was awarded to Sam Woolcott for academic excellence in chemistry, calculus, statistics, and physical education, as well as outstanding effort in biology and physics.

Sam is focused, attentive to detail, and smart as a whip. He was Head Student 2022. Next year he will be attending Otago University to undertake a Bachelor of Science majoring in marine biology.

Christina and Sam have consistently topped the excellence awards since they started at Heretaunga College in 2018. Despite their academic competition, they remain great friends and we are sure their paths will cross many times in their chosen fields.

Mr Bruce Hart, previous Principal at Heretaunga College, donated the Dux trophy and this was presented by the current Principal, Mrs Fiona Craven.

Ms Jacqui Lucas, Deputy Principal at Heretaunga College, donated the Proxime Accessit trophy and this was presented by Mrs Fiona Craven (Principal).
